Principal's Message

We have had a busy but fabulous start to the term.

A huge thank you goes to the P&C members who attended the bonfire. The school grounds are certainly looking much tidier.

A huge thank you to the SRC, who have generously purchased 2 solar panels for our school. Of course this would not have been possible without the support of our wonderful community, sponsoring our students in the Lap-a-thon.

Have you voted for our Multisport Court and Community Stage *Community Project 2019*? We would love your support. This project would be a fantastic asset for our school and the local Tharbogang community.

Kerry Dal Nevo,
Relieving Principal

NAIDOC DAY

On Wednesday 24th July all students and staff travelled to Yoogali PS to participate in a number of NAIDOC Day activities. Thank you Yoogali PS for hosting this important and fun day. The kangaroo bolognaise was a huge hit. It was lovely to see our students interacting with students from other schools.

Rankins Springs Round Robin

What a fabulous day had by all. A huge thank you to Rankins Springs public School for organising such a great event.

SRC

The SRC are holding a cake stall on Wednesday 14th August. Goodies will cost 50 cents and are guaranteed to be delicious.

We have exciting news! With the money raised from the Lap-a-thon last term, the SRC have generously donated \$500 to go towards the purchase of solar panels for the school.

On Friday 27th of September, there will be a talent quest. More information to follow.

Merit Awards

Our amazing students this week are:

Lily Ison-Creating a colourful pavement artistic masterpiece

Christian Catanzariti-Persevering when writing

Maths Home Learning

If you are looking for a fun activity to improve your child's mental maths skills give 'Hit the Button' a go. This is a free online game.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Hit the Button is an interactive maths game with quick fire questions on number bonds, times tables, doubling and halving, multiples, division facts and square numbers. The games which are against the clock challenge and develop a child's mental maths skills. The games are suitable for 5-12 year olds.

KROP

I hope everyone has managed to secure a ticket to this wonderful event. Students not participating in KROP will be going to the theatre for the Friday matinee performance with Mr Powys. Please return your permission note ASAP. There is no cost for this excursion.

KROP girls need to have their hair in 2 braids Thursday and Friday. Please be at school at 9:00am. The bus will be returning to school each day in plenty of time for the bell. Students need to return to the Griffith TAFE Riverina Wine & Food Technology Centre (F Block) at 5:00pm. The car park is situated in Benerembah Street. Please walk your child to the room and collect them from there after the performance. The show is expected to finish around 8:15. Please feed your children before dropping them off. We need them energetic and alert. Students need to bring a water bottle and snacks. We will provide activities for the students to help fill the time. Students will have a temporary tattoo on their face. Please do not wash this off.

We are all so excited that KROP is finally here. The students have been practising every day and I am sure you are all going to love it.

SPORT

Students will be learning how to play **GOLF** for sport this term during Weeks 2, 4 and 5. Our normal sport uniform is to be worn on a Friday. This will be held at school and no equipment is required.

Education Week

Education Week (Monday 5th August – Friday 9th August) is a state wide annual event that celebrates public education in NSW.

The achievements of public education and local schools are highlighted during the week, with an emphasis on our students, our educators and the communities that support them.

Every student, every voice is the 2019 Education Week theme. It is an important message that underpins our ambition within the NSW Department of Education for every student being known, valued and cared for, and gives us the opportunity to reflect on the valuable role student voice has in creating engaged citizens who will thrive beyond the school gates.

Please join us Tuesday 6th August at 12:10 pm to celebrate Education Week 2019. We will be showcasing our maths sessions. You are invited to stay for afternoon tea. Please bring a plate of goodies to share with students and parents.

Book Week

From 17-23 August we celebrate CBCA Book Week. Throughout the year, the Children's Book Council of Australia works in partnership with authors, illustrators, publishers, booksellers and other organisations in the children's book world to bring images and stories into the hearts and minds of children and adults. The CBCA Book of the Year Awards Winner and Honour Books will be announced on Friday 16 August and CBCA BOOK Week commences the following day.

Students will be dressing up on Wednesday 21st August for Book Week. Parents do not stress, we are making the costumes at school.

Powerful Readers

For adults and children alike, reading can be a powerful secret in improving the quality of your life. The ideas below are aimed at educators and adults (*include them in your school newsletter with attribution*) but can be used to spark conversation with students and provide ideas to help them to create their own 'Powerful Readers' poster. (See template on the next page.)

10 Ways Reading is a Secret Power

- 1 Reading is mindful.**
When engaged in reading you aren't distracted by devices, chatting or problem solving – it creates quiet space in the brain and focuses your attention.
- 2 Reading reduces stress.**
When in the flow of a good book, perhaps with a cup of tea, there are few better ways to momentarily halt the stresses of life. Hold on tight to this feeling.
- 3 Reading improves your ability to wield words!**
Reading increases vocabulary and understanding of the way words work in both written and spoken forms.
- 4 Reading is free.**
How powerful is the word 'free'? Books can be accessed online and in print for free from libraries. Reading can be as entertaining as a night out at the movies and some states even have free community reading events.
- 5 Reading improves writing.**
The more you read, the better grasp of the written word you have.
- 6 Reading increases empathy and social awareness.**
Reading allows us all to walk in the shoes of others and experience historical and current world events from the safety of your bedroom.
- 7 Reading is knowledge.**
Readers are lifelong learners who gain new knowledge from each new book they read.
- 8 Reading improves your problem solving.**
Seeing characters make sense of their problems and seeing patterns in the ways issues are dealt with in written form improves your analytical thinking and your flexibility in problem solving.
- 9 Reading offers an escape from the daily grind.**
It offers a place to retreat and experience another reality.
- 10 Reading exercises the imagination.**
It provides the mind with the opportunity to create visuals that are unique to the reader.
