Principal's Message

This is the last week of term 3. I would just like to thank the staff, the students and the parents and carers of Tharbogang Public School, for their support with ensuring all the fantastic learning opportunities have been such positive and rewarding experiences. We have a wonderful

school here and it is an absolute pleasure to be a part of this supportive and cohesive school community. It is best for students when we all work together to improve social, emotional and educational outcomes. We have a great reputation in the Griffith and wider community and all stakeholders contribute to this when we share our good news stories.

NAPLAN results went home with students in years 3 and 5 last week. Please do not hesitate to contact me if you have any questions or would like to discuss any aspect of these reports.

Have a safe and relaxing break with family and friends. All students and staff return on **MONDAY 14 OCTOBER**. There is no staff development day to start term 4.
