As discussed/organized at the end of last term we will be having our weekly swimming lessons during Term 4. Swimming lessons will be held each Tuesday from 12-12:45 at the Griffith Aquatic Center. Students are to bring their swimmers, towel, dry clothes and goggles (if they already own some) in a clearly labelled bag. Students will be transported to and from the pool by bus each week and will be having an earlier lunch each Tuesday before heading into swimming lessons. Sports clothes are to be worn on Tuesdays. Please note swimming lessons will only run for 9 consecutive weeks. Swimming lessons began Tuesday 13 October.

### **Sports Day and Sports Clothes**

We would like to continue with sport on Fridays as well as our swimming lessons on Tuesdays. **We ask that students wear sports clothes to school on both Tuesdays and Fridays for the duration of Term 4.**

### **Lapathon**

The SRC Lap-a-thon was held on Friday. Money raised at this stage is \$587. Money pledged for donations can still be brought in after the event. All donations to be sent in by the 6 November 2020.

### **Book Week**

Book Week will be held during Week 2 of Term 4. This year's theme is Curious Creatures, Wild Minds. At the end of last term all students from K-6 had the opportunity to participate in the Griffith City Library Book Week Bookmark completion, a big thank you to all students who designed and entered their bookmarks, we wish you all the best in this competition. We will be celebrating Book Week this week with many quality shortlist books being read and explored during our literacy sessions. We would like to celebrate the love of books and the love of reading by holding our Book Week Dress Up Day on Friday 23 October. We ask that all students participate by dressing up as a curious creature or simply come dressed as your favourite character from a book. This is always a fun day with much excitement by all and I ask that all students try to participate. Please let me know if you have any further questions about Book Week or the Book Week Dress Up.

### Cooler Classrooms Program

Update for parents and guardians

October 2020

#### Investing in our schools

The Cooler Classrooms Program is a \$500 million, five-year investment by the NSW Government to improve learning environments in public schools across NSW.

We are committed to delivering a quality, sustainable and cost effective program to ensure our students enjoy the healthy and comfortable learning environments.

#### Scope of works

At your school, the program will deliver:

- Air conditioning and fresh air ventilation in approximately 4 Learning spaces

#### Progress summary

An air conditioning, heating and fresh air ventilation solution has been designed to meet the scope of works. JRC Electrical Pty Ltd has been awarded the installation contract.

#### Installation works to begin

Installation works will begin Term 4 2020.

Work will take place between for example 8am and 5pm, Monday – Friday and 8am – 3:30pm on Saturdays.

It is estimated construction works may take up to 14 weeks. An installation plan has been developed to minimise disruption of construction works on school operations.

We will continue to work with the contractor, JRC Electrical Pty Ltd to ensure any disruption to our neighbours is kept to a minimum.

If you have any questions about this project please contact us on the details below.
