LEARNING FOR LIFE

FROM THE OFFICE

August 28th Week Seven

Tharbogangs relay team is heading to State NSWPSSA athletics. Many thanks to coach Marian for her continuing training for our athletes. Another 3 seconds shaved off their time at Riverina last week.

Its that time of year again! HATS HATS HATS HATS HATS

With the weather warming up we remind students that hats will be needed to play out in the sunshine. We will give all students a week's grace to find where they last put their hats and then it will be stay under the shade for break times if you don't have a hat. This is in keeping with the school's sun safe policy. If you need a new hat just see Renee in the office. Hats are \$26. The hat needs to be the school's broad brimmed hat-baseball caps are not acceptable. PLEASE PUT NAMES ON HATS-they all look the same so its impossible to return to owners if we find stray hats.

Great to see imaginations at play for BookWeek dressup last week. Thank you for supporting the Book Fair also. Thanks Juanita for opening up the fair each day and thanks Mrs Robertson for the gift vouchers and organisation.

You will have heard much in the news about Murrumbidgee Regional High School which is of course our feeder high school. Attached is the most recent communications regarding changes from 2024.

K-2 students will have the chance to ride scooters at school if they are not yet able to ride a bicycle safely. If you do not want your child to participate please contact the school. TWO SCHOOLS FOR GRIFFITH

RESTRUCTURE INFORMATION

Following an extensive consultation process with parents, carers, staff, students and the wider school community, the demerger of Murrumbidgee Regional High School is now underway. The 2 schools, each with its own principal, will open for day 1, Term 1 of the 2024 school year.

No staff will lose their jobs and there will be no forced staff movements. The new schools will be provisionally known as Murrumbidgee Regional High School – Wade and Murrumbidgee Regional High School – Griffith and will each be provided with their own school code and NESA numbers.

There will be no change to uniforms in 2024 as this will be a decision for the schools' communities to decide and give time for establishment of P&Cs. The 2 new schools will continue with the current enrolment intake zones. The usual rules about out-of-area enrolments apply to students wishing to move outside their designated catchment area.

Griffith will once again have 2 separate high schools; each with its own principal, responsible for leading and managing their own school. The 2 schools may share some classes so that we continue to offer a wide curriculum choice. Because of this we will have a Senior Cross-School Co-ordinator to oversee shared learning, resources and connecting with the community. The Senior Cross-School Co-ordinator will also ensure the school community does not lose any of the things that have worked well. Mr David Crelley will undertake this position.

The MRHS Facebook page also has further information and links to FAQs.
